BACKSLIDDEN AND UNSAVED (Prayers for)

It is not the will of the Father that any should be lost. John 3:16-17 (*The Message*), “*This is how much God loved the world: He gave his Son, his one and only Son. And this is why: so that no one need be destroyed; by believing in him, anyone can have a whole and lasting life. God didn’t go to all the trouble of sending his Son merely to point an accusing finger, telling the world how bad it was. He came to help, to put the world right again.*”

The almighty God of the universe and beyond doesn’t want to lose anyone! He has sought and reasoned with men and women for decades to turn to Him and accept His love. He has appealed again and again to those who have heard the Gospel and walked away to return to Him and their place in His family. Just as God was concerned for His people in the Old Testament and for Jacob, He has shown everyone (including the backslider today) His concern over those who wander from Him, as written in Deuteronomy 32:9-10, “*But GOD himself took charge of his people, took Jacob on as his personal concern. He found him out in the wilderness, in an empty, windswept wasteland. He threw his arms around him, lavished attention on him, guarding him as the apple of his eye*” (*The Message*).

We are all called to pray for laborers for the harvest of souls in these last days, and we are called to labor in the harvest ourselves. As you labor, you must never forget 2 Peter 1:3, “*His divine power has given us everything we need for life and godliness through our knowledge of him who called us by his own glory and goodness.*” He does not drive men and women to himself through fear, guilt, or threatenings of hell; He calls each one through an awareness of His glory and His goodness. Always reflect His goodness to others when you tell them of the Gospel, and be very sure you are speaking for God if you think you should warn them that they are going to hell and fire if they don’t accept Christ! You are to be the salt of the earth. Salt is used to give flavor; let your flavor be love.

Prayer for the Backslidden and the Unsaved

In the name of Jesus Christ, I bind _____ to your will and purposes for his/her life. I bind _____’s mind to the mind of Christ so that he/she will hear the thoughts, intents, and purposes of His heart. Lord, I bind _____’s feet to the paths you’ve ordained for him/her to walk in—paths that lead right into your arms. I bind his/her hands to the special work you’ve ordained for him/her to accomplish in your Kingdom, special work that always brings special blessings. Help him/her to know that when he/she surrenders to you, then your forgiveness, love, mercy, power, and authority will be able to flow through every area of his/her life.

I loose all preconceived ideas and half-truths _____ has about you, Lord. I loose discouragement, deception, and denial from him/her. I loose unforgiving thoughts that are fueled by the offenses he/she is holding against friends, family, and Christians. I loose the soulish arguments, human logic, and reasoning that _____ has used to justify avoiding Christians. I loose the lies the enemy has brought him/her into agreement with that have clouded his/her mind about your Church and about you.

You have promised that your Word never returns to you void. The Word that I know he/she has heard in the past, the Word you sent forth to him/her for your purposes, I ask that you now call it up from the bottom of _____'s memory. Let it not leave his/her sight, no matter where he/she turns.

I loose stronghold thinking protecting the wrong thinking that has caused him/her to flee from being under the shadow of your wings. I loose guilt and fear from _____ and the wrong beliefs and ideas that he/she has done too many sinful things or gone too far to be forgiven by you. Please show him/her the power of your grace and mercy.

I loose all generational bondages, religious bondages, cultural bondages, and wrong patterns of thinking that have produced soul ties from him/her. Lord, in Jesus' name, I cut, sever, slash, and loose the influences and the bondages of the world from him/her. I loose the works of the enemy from him/her (1 John 3:8). Please show _____ the awesome truth of his/her destiny.

Lead Christians across his/her path that are similar enough to make him/her feel they can be trusted, yet different enough to intrigue him/her. You are such a great and mighty God, and I am so very grateful that you desire to save every man and woman so that none would be lost. I ask that my prayers of agreement with you will help soften the hearts of wounded and frightened and angry souls everywhere I walk. I believe that nearly every non-believer wants someone to prove to them that you are real. Let me be part of that proof to whoever you will bring my way. In Jesus' name, Amen
