

EXCERPT FROM LBE MANUAL #8

Pray this prayer: Lord, I have committed my dreams to paper above. I am daring to believe that you can use me in great ways to see this accomplished. I choose to dare to believe that you might have even higher goals for my life. I am choosing to believe that I have the potential to somehow reach hundreds, perhaps even thousands, of people with the truth of your great plans and purposes for their lives. I don't know how, but I believe that in Christ Jesus, it is possible.
